

At Bladon Primary School we have worked together to create a School Development Plan that will enable our school to continue to get even better.

Curriculum

To improve achievement in writing across the school ensuring that children build their skills in becoming confident writers.

To ensure that spelling, grammar, punctuation and handwriting is targeted in all subjects.

To use questioning as a tool to track progress in lessons.

To raise levels of achievement in reading at the end of KS1 and KS2 to meet the new requirements of the national curriculum.

Well-being/ Community/ Partnerships

To re-launch the school reward system that takes into consideration pupil voice.

To improve the facilities and provision of after school and breakfast club.

To provide opportunities for children to deliver and lead child worship.

To host/work with Bladon residents to support school and community events.

Leadership & Management, Governors, Premises

The new Headteacher to take over the running of the school and ensure a smooth transition for all staff, children, parents and governors.

To reflect, evaluate and make changes where necessary to the current school assessment system (including marking) ensuring that it meets the needs of the children and teachers.

To design a structured programme that enables all teaching staff to observe and share good practice, critically evaluate learning and discuss future learning.

To monitor teaching and learning to ensure that teaching responds quickly enough lessons to the progress made by individual pupils.
