

Dungeons and Dragons – Year 1/2 Homework Grid

The Challenge-ometer suggests the difficulty or challenge the homework may offer. Every term you should attempt **at least one 'EXTRA HOT'** task! Each week, during this term, you must complete one piece of homework from the grid below. Your homework must be neatly presented and show the effort you have put into your personal learning. You may use ICT if you prefer. We are expecting to see high quality homework that is full of interesting content and shows creativity. Remember, when you are writing, you must include all those elements that are required to make your writing successful.
