

Sowing and Growing – Year 1/2 Homework Grid

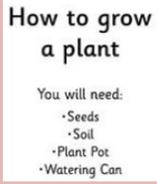

Choose your homework from the challenge box below:

The Challenge-ometer suggests the difficulty or challenge the homework may offer. Every term you should attempt **at least one 'EXTRA HOT'** task!

Each week, during this term, you must complete one piece of homework from the grid below. Your homework must be neatly presented and show the effort you have put into your personal learning. You may use ICT if you prefer. We are expecting to see high quality homework that is full of interesting content and shows creativity. Remember, when you are writing, you must include all those elements that are required to make your writing successful.

Boost your DOJO points: 1 point for extra mild, 2 for mild, 3 for medium, 4 for hot or why not go for off the scale and receive 5 dojo points for extra hot?

<p>Research the life cycle of an animal/insect and present it in a way of your choosing.</p> 	<p>Draw and label the different parts of a plant and describe what each of the parts do.</p> 	<p>Keep a food diary for a week that shows the different plants you have been eating and which parts of the plant. If you eat meat too, which animal does it come from?</p>
<p>Can you think of a fruit or vegetable that begins with each letter of the alphabet?</p>	<p>Write instructions for how to plant a seed/bulb.</p> 	<p>Write a poem for a season.</p>
<p>https://www.topmarks.co.uk/number-facts/number-fact-families Try to find all the number facts in each family. You can choose add/subtract or multiply/divide.</p>	<p>Can you make a dish that uses different parts of a plant? (E.g. flower, stem, roots, leaves)</p>	<p>Talk to parents/grandparents about things that have changed as they've grown up. Can you find out 3 things that we have that were not around when they were little?</p>
<p>Draw a picture for each season.</p> 	<p>Draw and label 3 different minibeasts.</p> 	<p>http://www.snappymaths.com/division/early-div/interactive/sharing/sharingframe.htm Try this online division game</p>
<p>Try a new fruit or vegetable and record what you tried and whether you liked it!</p>	<p>Plant something at home in a pot or in the garden. Maybe you could take a photo/draw a picture.</p>	<p>Visit a park/garden centre and draw/write about what plants/flowers/trees you saw.</p>
