Choose your homework from the challenge box below:

The Challenge-o-meter suggests the difficulty or challenge the homework may offer. Every term you should attempt at least one **EXTRA HOT**, one **HOT**, one **MEDIUM** and one **MILD** task! Please tick which you have done each week. For research tasks, try <http://www.primaryhomeworkhelp.co.uk/index.html> or use the search engine <https://www.kiddle.co/> Each week, during this term, you must complete one piece of homework from the grid below. Your homework must be neatly presented and show the effort you have put into your personal learning. You may use ICT if you prefer, but your work still needs to be printed out and stuck into your homework book. We are expecting to see high quality homework that is full of interesting content and shows creativity. Remember, when you are writing, you must include all those elements that are required to make your writing successful.
