

**English:**

We will be completing a unit of work based on a book called Wombat goes Walkabout. The children will be writing a story based on the book over the first few weeks of term. In the second part of the term the children will be planning and writing recipes and instructions for a salad they have designed.

**Science:**

Our focus this term is humans (with an additional focus on animals). In particular, we will be looking at what humans and animals need in order to be healthy, as well as some of the different parts of the body and the important jobs they do.

**Maths:**

We will be focusing mainly on number and place value (understanding that a 2 digit number is made from a combination of tens and ones) this term, with our focus moving to addition and subtraction later in the term. We will be learning vocabulary relating to 2d and 3d shapes.

**Computing:**

Our focus for this term will be programming. We will be learning to program Bee-Bots as well as 'debugging' (fixing) other people's programs.

**PSHE:** This term we will be starting our PSHE programme with 'Circle Time' focusing on 'Getting to know each other' and 'Friendships'.

**PE:**

Our PE focus for this term is hockey.

**RE:** In Term 1 our RE focus will be Harvest; we will discover how and why people celebrate Harvest in different parts of the World. We will then move on to our unit of learning about God, and how Christians believe in God as being loving, kind and fair.

**Topic:**

We will be learning about two heroes from history – Florence Nightingale and Mary Seacole. The children will learn about their lives and what made them heroes.

**Art:**

This term we will be creating self-portraits. The children will have an opportunity to study some famous self-portraits before designing and producing their own.
