A note from the headteacher

This week began with an assembly for the children focusing on well-being. The children were asked to share what was good about themselves and each other. The perfect way to start the week off!

Apple Class had an exciting week, where they visited Oxford Castle as part of the topic. In addition, they had a visitor (Mr Fletcher) who presented a workshop on Kings, Queens and Knights. Mr Fletcher said that he was very impressed with the children's knowledge, some of which would not be out of place in a secondary school.

If you have any questions or queries concerning the school or your child/children, please do not hesitate to speak to your child's teacher or contact me at school. Alternatively, you can email me at head.3146@bladon.oxon.sch.uk

Tuesday was 'Internet Safety Day' which began with an assembly around staying safe online. After that children looked in the 'cyber café' and were presented with scenarios for them to discuss and decide on the safest form of action. The children in Willow Class created posters based on the SMART rules. Oak Class carried out a survey with Apple class to find out what they knew about internet safety.
